## Glusburn Primary School E-Safety Policy: Spring 2018

### Introduction

This policy has been prepared by the Headteacher, reviewed by the Computing Co-ordinator and has been agreed by the Governing Body.

### Rationale

The internet and other digital technologies permeate all aspects of life in a modern technological society. Internet use is part of the statutory National Curriculum and is a necessary tool for staff and pupils. It is the entitlement of every pupil to have access to the internet and digital technologies, in order to enrich his/her learning.

### Scope

This policy applies to all pupils, all teaching staff, all support staff, all governors and all volunteers.

### Aims

Our aims are to ensure that all pupils, including those with special educational needs will:

- use the internet and other digital technologies to support, extend and enhance their learning;
- develop an understanding of the uses, importance and limitations of the internet and other digital technologies in the modern world including the need to avoid undesirable material;
- develop a positive attitude to the internet and develop their ICT capability through both independent and collaborative working;
- use existing, as well as up and coming, technologies safely.

Our aims also include:

- Internet use will support, extend and enhance learning.
- Pupils will be given clear objectives for internet use.
- Web content will be subject to age-appropriate filters.
- Internet use will be embedded in the curriculum.
- Pupils will develop an understanding of the uses, importance and limitations of the internet.
- Pupils will be taught how to effectively use the internet for research purposes.
- Pupils will be taught to evaluate information on the internet.
- Pupils will be taught how to report inappropriate web content.
- Pupils will develop a positive attitude to the internet and develop their ICT capability through both independent and collaborative working.
- Pupils will use the internet to enhance their learning experience.
- Pupils have opportunities to engage in independent and collaborative learning using the internet and other digital technologies.
- Pupils will use existing technologies safely.
- Pupils will be taught about e-safety.

## **Data Protection**

There is a separate Data Protection policy.

## **E-mail**

- Pupils and staff will only use approved e-mail accounts when using the school network.
- Pupils will tell a member of staff if they receive inappropriate e-mail communications.
- Pupils will only use e-mail for approved activities.

## **Internet Access and Learning Platform (school website)**

Staff will read and sign the NYCC Acceptable Use Policy – ICT and e-Technology before using any school ICT resource.

Parents will read and sign that they understand and agree to the school's **Responsible Internet Use** statement and will endeavour to ensure that their child follows this guide.

Pupils will be taught to use the internet responsibly and to report any inappropriate content to a responsible adult.

## **Mobile Phones and other handheld technology**

Pupils are only permitted to have mobile phones or other personal handheld technology in school with the permission of the Headteacher. When pupils are using mobile technology (their own or that provided by the school) they will be required to follow the school's Acceptable Use Policy (AUP). Such items can be confiscated by school staff if they have reason to think that they are being used to compromise the wellbeing and safety of others (Education and Inspections Act 2006, Sections 90, 91 and 94).

## **School Website and Published Content**

There is a separate website policy.

All staff who edit website content must read and sign this policy.

## **Systems Security**

ICT systems security will be regularly reviewed with support from Schools ICT.

## **Web Filtering**

The school will work with Schools ICT to ensure that appropriate filtering is in place.

Pupils will report any inappropriate content accessed to an appropriate member of staff.

## **Communication of the e-safety policy to pupils**

E-safety rules will be posted in each room where a computer is used.

Pupils will be informed that internet and Learning Platform (school website including blogs) use will be monitored.

E-Safety will be included in the curriculum and regularly revisited.

Children will take part annually in Safer Internet Day.

## **Communication of the e-safety policy to staff**

The e-safety and acceptable use policies will be given to all new members of staff as part of induction.

The e-safety and acceptable use policies will be signed by all staff and discussed with them at least annually.

All staff have undertaken an online e-safety training course – guidance for practitioners working with children on the website:

<https://nyscb.vctms.co.uk> (February – March 2018)

## **Communication of the e-safety policy to parents/carers**

The school website will include a list of e-safety resources and information for parents to access.

The school invited parents to undertake the same e-safety course as the staff - guidance for practitioners working with children on the website: <https://nyscb.vctms.co.uk> (February – March 2018)

The school will communicate and publicise e-safety issues to parents through the school newsletter and website.
