Weekly Newsletter: Week ending 2nd December 2016.

KS2 Carol Service: Monday 5th December

We will be holding our traditional KS2 Carol Service in Kildwick Church on Monday 5th December 2016. The service will begin at 6:30pm prompt and will end at approximately 7:15pm. Parents, children and families should arrive no sooner than 6:15pm. Please note, parking in the area is limited. As usual the pews to the front of the church will be reserved for classes. We request that all children wear a Christmas jumper this year for the occasion. All KS2 children are expected to attend. This year the collection will be for 'Bosom Friends' (Cancer Charity) and the Pendleside Hospice. **No Choir Monday KS2 Kildwick Carol Service**

Winter Alerts: school access and school closure

Please check the school website for snow updates over the winter months. This will be updated usually by 7:30am, this gives me the chance to walk up to school and hear from my staff as to whether they can travel safely to work.

Parents will also be informed by text should school be closed. Please ensure that you have your most up-to-date mobile number registered to Parent Pay - we use this as a platform to send texts. If you are unsure how to update your details, please contact school immediately. In the event of snow and ice, access to school will ONLY be via the Colne Road entrances.

Parents will not be able to gain access via the field entrance. All entrances via Colne Road will be gritted following the school's 'snow and ice procedure'.

Headteacher Challenge 2016: NSPCC Swimming Fundraiser: 100 minute swim – 4th December.

Still time to donate if you wish to support the NSPCC. Thank you to children, parents, staff and families who have sponsored me so far. I am very grateful. Still time to donate if you wish to support the NSPCC; <http://www.justgiving.com/RICHARD-HUNT-100>

Match Attax Sale

Well done to Theo Morris, Sebastian Medley and Fynlay Beckwith (all class 10), for holding their Match Attax Sale this week. The idea was planned around selling unwanted cards and to raise money for school resources. The sale took place in the school hall on Wednesday this week. The children raised £30 which will go towards PE resources.

Scarlet Fever

Please be aware that several children in FSU and Class 5 have been diagnosed with Scarlet Fever.

We ask that you be vigilant to the various symptoms.

Red blotches are the first sign of the rash. These turn into a fine pink-red rash that feels like sandpaper to touch and looks like sunburn. It may also be itchy. The rash usually starts on the chest and stomach, but soon spreads to other parts of the body, such as the ears, neck, elbows, inner thighs and groin. The rash doesn't usually spread to the face. However, the cheeks become flushed and the area just around the mouth stays quite pale. The rash will turn white if you press a glass on it. The rash usually fades after about a week, but the outer layers of skin, usually on the hands and feet, may peel for several weeks afterwards. In milder cases, sometimes called scarlatina, the rash may be the only symptom. Other symptoms may include:

- * swollen neck glands
- * loss of appetite
- * nausea or vomiting
- * red lines in the folds of the body, such as the armpit, which may last a couple of days after the rash has gone
- * a white coating on the tongue, which peels a few days later leaving the tongue red and swollen (this is known as strawberry tongue)
- * a general feeling of being unwell

When to seek medical advice:

See your GP as soon as possible if you think you or your child has scarlet fever. Although the illness usually clears up after about a week, your GP will be able to confirm a diagnosis and recommend appropriate treatment.
