## KS2 trip to Leeds Museum

Over the past week, each KS2 class visited Leeds Museum to enhance their Egyptian studies. Here are some of their thoughts:

"I enjoyed looking at the Scarab beetle through the microscope – it was awesome." Sam Bowerbank.

"There was an actual Mummy – it was ancient, now we know what one actually looks like!" Jamie Walton.

"Discovering how Mummies were mummified was great to see – we could see the liver being removed and all the insides." Mari Gamston.

"The stuffed animals were really interesting, there was a gorilla and a bear!" Brandon Lambert.

Thank you to all parent volunteers who made this trip possible – we hope you enjoyed the experience too!

Leeds City Museum is housed in the former Mechanics' Institute, in Cookridge Street (now Millennium Square).
