## Weekly Newsletter: Week ending 31<sup>st</sup> March 2017

### Parents' Evening

Thank you to all parents who joined us for parents' evening this week. We hope you found the new booking system efficient and simple to use. As this has only been purchased on trial – any feedback (including positive) will be useful in deciding whether or not to continue with the system. The system has to be valuable to parents, as the main users – this is an opportunity to help the school in its decision-making. Any feedback can be emailed via the email address above or drop in to the school office.

### Class 4 assembly

This week our assembly showpiece was delivered by Class 4, which was 'out of this world!' The children entertained us with their space-themed presentation featuring singing about aliens' love of underpants, and the astronaut inspired 'Bounce Patrol'. The children have been working hard in class writing information books about planets, whilst in science they have been investigating a problem from NASA: Which is the best material to fill the holes in the astronaut gloves? Finally we had the visit of the planetarium as the children learnt about star constellations; well done class 4, you are all *stars!*

## Sports Page

### Hockey star!

On Sunday 26 March Lilja Benedikz Year 5 (centre back row in photograph) was part of the Ben Rhydding U10s hockey team who finished 5th in the Yorkshire league, having finished joint third in the Yorkshire cup in February. The team only lost one game and it was a very tight competition. With just one more goal Ben Rhydding could have finished third. This is only Lilja's third season playing hockey and she's fast becoming one of the strongest goalkeepers in the county. Well done Lilja!

### School Football Team

Well done to the boys in the school football team who competed in the North Yorkshire finals on Saturday in Tadcaster, representing the Craven area. The team played in a group with 4 other teams. Unfortunately we came across some very tough competition on the day, from schools right across the county and didn't progress to the semi-finals stages. However, the boys have had a great season and I am immensely proud; this is the furthest our school team has ever achieved in a county tournament!
