GLUSBURN COMMUNITY PRIMARY SCHOOL VALUES AND ETHOS STATEMENT

Our children leave Glusburn as independent and resilient learners full of curiosity and wonder. We nurture the intrinsic links between pupils, parents and school, striving to help our children become respectful and kind citizens on a local and global scale with a central focus on the UNICEF Rights of the Child.

UNCRC ARTICLE 28: Every child has the right to education

UNCRC ARTICLE 29: Education should help develop every child's personality, talents and mental and physical abilities to the full. It should develop children's respect for their own rights and those of others, for their parents, for their own culture and the cultures of others, and for the natural environment
